Welcome to BrooksMeyer

For over 22 years, BrooksMeyer has served the Wallingford, Pennsylvania area with a commitment to service and value. We appreciate your interest and look forward to earning your business.

Established in 1986, BrooksMeyer has the experience and expertise to get the job done right the first time. Our skilled professionals use only the finest tools and materials to create your **Landscapes, Hardscapes, and Gardens**. We also provide **Tree Trimming and Removal** services. We guarantee our work and your satisfaction.

Beautiful, well maintained landscaping greatly enhances the property value of your home and adds to your overall quality of life. Whether your home sits on a spacious terrain with limitless possibility or on a standard suburban lot, BrooksMeyer can help transform it into a beautiful oasis that will be a source of pride and enjoyment for years to come.

From selecting the perfect centerpiece tree to accent flowers, groundcover, and hardscaping including *patios, walkways, retaining walls* we integrate all these elements into beautiful, harmonious works of art that will provide you with outdoor enjoyment year round.

Whether your passion is profuse, vibrant flower gardens or the serenity and functionality of a lush expanse of lawn, BrooksMeyer can help. Our landscape experts will begin with a soil analysis to determine whether modifications in organic chemistry and moisture levels are in order. If necessary we will make the necessary modifications including installation of irrigation lines and tree and bush trimming and removal. If soil modifications are necessary we use only high quality, organic additives to ensure the safety of your family, pets and beneficial wildlife.

BrooksMeyer will help you identify the best native or hybrid plants, perennials or annuals depending on your taste and vision. Through our association with reputable growers BrooksMeyer will select only the healthiest, hardiest specimens for your lawn or garden. Once we've completed planting you can rest assured that we'll maintain your beautiful new plants to ensure they thrive and provide years of enjoyment.

With help from BrooksMeyer you won't have to limit your lawn and garden's potential to only the warmer months. With the proper planning by BrooksMeyer your landscape can provide year round color and variety.

Contact BrooksMeyer at **(610) 876-7662** to schedule an initial consultation and get that lawn or garden you've always wanted.
